

susan e. walker

Artistic risks are balanced by Susan Walker's strong academic training. She has a BFA in Studio Art from the University of California, Davis, where she studied with mentor Wayne Thiebaud. Susan also completed a two-year residency program at the University of Washington in Drawing & Painting. She was accepted into the Artists' Trust EDGE Professional Development Program and spent a residence week in Port Townsend, WA, with twenty other Washington State artists. Susan serves on the Board of Directors for the Women Painters of Washington and is also a Signature Member with American Women Artists.
